In the event of any discrepancy between the information herein and our contract with the insurer, the terms of the contract will apply. All benefits payable through the student plan are based on reasonable and customary charges.

How to Enrol for Coverage

Fees for the student plan are assessed automatically by the institution at registration. You are also enrolled automatically should you meet the eligibility criteria for the plan. If you are unsure about whether or not you are eligible, please visit or contact CCSS Member Services.

New eligible students will be added to the plan(s) during the first 60 days of each semester. Please keep your receipts for eligible expenses incurred during this time period for submission to the insurance carrier upon completion of the enrolment process. Returning eligible students may continue to access the plan(s) without disruption by using their current myBenefits Card or by submitting claims directly to the carrier.

Accessing Coverage

myBenefits Card: Pay-direct claims allow for direct billing of eligible costs between your pharmacy and/or dental office and the insurance company. Pharmacy claims are processed immediately so that students are not out of pocket the full expense at the time of purchase. Dental claims are processed based on the individual dental office's billing practices. These claims are accessed with the myBenefits Card. You can download your myBenefits Card from www.mystudentplan.ca. A BC Fair Pharmacare and Card application must be completed prior to obtaining your myBenefits Card.

Submit Claims Online: <https://gw1.greatwestlife.com>

Manual Claims: To submit a manual claim, complete an insurance claim form, attach the original receipts and documents, and mail to the insurer. Remember to keep a copy of all original documents for your records. You can download claim forms from www.mystudentplan.ca.

Coordinating Multiple Plans

If you are an eligible student and have comparable coverage you may wish to coordinate your plans. Benefits under the two plans can be coordinated to increase your coverage up to 100% of the actual expense(s) incurred. For example, following payment under this plan you can submit outstanding balances to the other plan for their consideration.

Adding Family Coverage

Each year, you are given one opportunity to purchase family coverage for your spouse and/or dependent(s) by completing an application form through CCSS Member Services and paying the family coverage fee. All family add-on forms and fees must be received within 30 days from the start of your program. Your family can only be covered while you are a student on the plan(s). **Family coverage must be renewed by the student each benefit plan year.**

Opt-Out of Coverage

If you are an eligible student and have comparable health and/or dental coverage you may apply to opt-out of the plan(s). Each student is given one opportunity to opt-out of the health and/or dental plan(s) each year. All opt-out forms must be completed online or through CCSS Member Services and must be received within 30 days from the start of your program. You will not be able to opt-out of coverage at any other point during the school year.

No exceptions will be made if the deadline is missed. It is the student's responsibility to pay the plan fees, should they miss the applicable opt-out deadline. Approval of your opt-out will result in the plan fee being credited. Once your opt-out has been accepted, it will remain in force as long as you remain an eligible student.

Loss of Comparable Coverage

If comparable coverage used to opt-out of the student plan terminates, or coverage provided to cover eligible dependents terminates, students have 30 days from loss of coverage to notify CCSS Member Services in order to opt in and be covered under the student plan. Confirmation of loss of coverage is required on re-application.
