This benefit also includes *reasonable and customary* costs for transportation to return the *participant's dependents* to accompany him back to their *country of origin*.

If the *insured person* refuses the decision of the *insurer* to repatriate him back to his *country of origin*, the *insurer* will be released from any liability for expenses incurred for such *injury* or *sickness* after the proposed date of repatriation.

If *you* choose to decline the transfer or return when declared medically stable by the Medical Director of *Global Excel*, the *insurer* will be released from any liability for expenses incurred for such *sickness* and/or *injury* after the proposed date of transfer or return. *Global Excel* will make every provision for *your* medical condition when choosing and arranging the mode of the transfer or return and, in the case of a transfer, when choosing the *hospital*.

Group Out-of-Province/Canada Travel Medical Emergency Insurance

Throughout the *policy*, words in italics have a specific meaning and are defined in Section VII - Definitions.

IMPORTANT NOTICE - PLEASE READ CAREFULLY

Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances occurring while *you* are temporarily travelling outside *your* province or territory of residence. It is important that *you* read and understand *your* plan before *you* travel. In the event of any discrepancy between the provisions of a booklet or other document *you* hold and the provisions of the *policy*, the provisions of the *policy* shall govern. The Insurer has contracted Global Excel Management Inc. (called "*Global Excel*") to provide medical assistance and claims services under the *policy*.

This benefit booklet contains a provision removing or restricting the right of the group person to designate persons to whom or for whose benefit insurance money is to be payable.

IN THE EVENT OF AN *EMERGENCY*, YOU MUST CALL *GLOBAL EXCEL* IMMEDIATELY:

From Canada and the U.S., call toll-free **1-866-870-1898**

From anywhere else, call collect..... **+ 819-566-1898**

The *emergency* telephone numbers are also shown on the back of
the medical assistance card provided.

Global Excel must be contacted before *you* seek medical treatment. If *your* condition renders *you* unable to do so, then someone else must contact *Global Excel* immediately for *you*. Do not assume that someone will contact *Global Excel* on *your* behalf. It remains *your* responsibility to ensure that *Global Excel* has been contacted prior to receiving medical treatment or as soon as reasonably possible.

Pre-existing medical condition exclusions may apply to medical conditions and/or symptoms that existed prior to *your trip*. Refer to *your policy* to determine how these exclusions may affect *your* coverage and how they relate to *your* departure date, date of purchase or effective date.

If *you* incur any expenses without prior approval by *Global Excel*, such expenses will be covered, except where the *policy* expressly requires the prior approval or authorization of *Global Excel*, on the basis of the *reasonable and customary costs* that would have been payable for such expenses by the Insurer in accordance with the terms and conditions of the *policy*. Such expenses may be higher than this amount, therefore *you* will be responsible for paying any difference between the amount *you* incur and the *reasonable and customary costs* reimbursed by the Insurer.

SECTION IV — GENERAL PROVISIONS AND LIMITATIONS

1. **Notice to *Global Excel*:** In the event of a *sickness* and/or *injury* likely to give rise to an *emergency*, *you* must give immediate notice to *Global Excel*. Failure to do so may limit the benefits payable under the *policy*. If *you* incur any expenses without prior approval by *Global Excel*, such expenses will be covered, except where the *policy* expressly requires the prior approval or authorization of *Global Excel*, on the basis of the *reasonable and customary costs*

that would have been payable for such expenses by the Insurer in accordance with the terms and conditions of the *policy*. Such expenses may be higher than this amount, therefore *you* will be responsible for paying any difference between the amount *you* incur and the *reasonable and customary costs* reimbursed by the Insurer.

2. **Transfer or Medical Repatriation:** During an *emergency* (whether prior to admission or during a covered hospitalization), the Insurer reserves the right to:

- a) transfer *you* to one of *Global Excel's* preferred health care providers, and/or
- b) return *you* to *your* province or territory of residence

for the medical treatment of *your sickness and/or injury* where this poses no danger to *your* life or health. If *you* choose to decline the transfer or return when declared medically *stable* by the Medical Director of *Global Excel*, the Insurer will be released from any liability for expenses incurred for such *sickness and/or injury* after the proposed date of transfer or return. *Global Excel* will make every provision for *your* medical condition when choosing and arranging the mode of *your* transfer or return and, in the case of a transfer, when choosing the *hospital*.

3. **Limitation of Benefits:** Once *you* are deemed medically *stable* to return to Canada (with or without medical escort) either in the opinion of the Medical Director of *Global Excel* or by virtue of discharge from a medical facility, *your emergency* will be deemed to have ended, whereupon any further consultation, treatment, recurrence or complication related to the *emergency* will no longer be eligible for coverage under the *policy*.

4. **Misrepresentation and Non-Disclosure:** *Your* entire coverage under the *policy* shall be voidable if the Insurer determines, whether before or after loss, that *you* or the *policyholder* have concealed, misrepresented or failed to disclose any material fact or circumstance concerning the *policy* or *your* interest therein, or if *you* or the *policyholder* refuse to disclose information or to permit the use of such information, pertaining to any of the *insured persons* under the *policy*. Consequently and following a loss, no claim shall be payable by the Insurer and *you* shall be solely responsible for all expenses relating to *your* claim, including medical repatriation costs.

5. **Subrogation:** If *you* suffer a loss covered under the *policy*, the Insurer is granted the right from *you* to take action to enforce all *your* rights, powers, privileges, and remedies, to the extent of benefits paid under the *policy*, against any person, legal person or entity which caused such loss. Additionally, if No Fault benefits or other collateral sources of payment of medical expenses are available to *you*, regardless of fault, the Insurer is granted the right to make demand for, and recover, those benefits. If the Insurer institutes an action it may do so at its own expense, in *your* name, and *you* will attend at the place of loss to assist in the action, in addition to providing the Insurer all information, cooperation and assistance the Insurer may reasonably require. If *you* institute a demand or action for a covered loss, *you* shall immediately notify the Insurer so that the Insurer may safeguard its rights. *You* shall take no action after a loss that will impair the rights of the Insurer set forth in this paragraph and shall do all such things as are necessary to secure such rights.

6. **Arbitration:** Notwithstanding any clause in the *policy*, the parties hereto undertake to submit to an arbitration procedure, to the exclusion of the courts, any present or future dispute relating to a claim.

7. **Applicable Law:** The *policy* is governed by the law of the Canadian province or territory of residence of the *participant*. Any legal proceeding by the *insured person*, his heirs or assigns shall be brought in the courts of the Canadian province or territory of residence of the *participant*.

8. **Other Insurance:** This insurance is a second payer plan. For any loss or damage insured by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside the province of residence that are in excess of the amounts for which an *insured person* is insured under such other coverage.

All coordination with employee related plans follows Canadian Life and Health Insurance Association Inc. guidelines. In no case will the Insurer seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less.

9. **Co-ordination and Order of Benefits:** If a person has coverage under another plan that does not provide for co-ordination of benefits, that plan will be considered primary carrier and will be responsible for making the initial payment. If the other plan does provide for co-ordination of benefits, the order of benefit will be as follows:

Participant and dependent spouse

The plan insuring the *participant* or the *participant's dependent spouse* as an employee/member pays benefits before the plan insuring the *participant* or the *participant's spouse* as a *dependent*.

Dependent child

If the *dependent child* is insured as a *dependent* under the *participant's* and the *spouse's* plans, benefits will first be payable under the plan of the parent whose birthday comes first in the calendar year. The balance of eligible expenses can then be submitted to the plan of the other parent.

If both parents have the same birthday (month/day), the claims for children must be submitted to the plan in the alphabetical order of the parents' first names.

When a person is insured under other group or individual policies or government plans, the benefits payable from all sources cannot exceed one hundred percent of expenses incurred.

10. **Rights of Examination:** To be entitled to payment of benefits provided under the *policy*, the *participant*, on his own behalf and on behalf of his *dependents* hereby authorizes any *physician*, health professional, *hospital*, institution and any other organization to forward to the Insurer or its representatives, all information, reports or documents that they may require.

The *participant* hereby authorizes the Insurer to communicate directly with any *physician*, health professional, *hospital*, institution or other organization to obtain any information required for the assessment of claims and hereby relieves the persons concerned of all legal responsibility which could arise from the disclosure of such information.

In the event of death, the Insurer will require that a death certificate be filed with the claim. Furthermore, the Insurer has the right to request an autopsy and review any autopsy report, if not prohibited by law.

11. **Limitation Period:** Every action or proceeding against an Insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (British Columbia, Alberta and Manitoba). Every action or proceeding against an Insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Limitations Act (Ontario), or other applicable legislation.

12. **Availability of Care:** Neither the Insurer nor *Global Excel* shall be responsible for the availability or quality of any medical treatment (including the results thereof) or transportation at the vacation destination, or *your* failure to obtain medical treatment during the *coverage period*.

13. **Evidence of Age:** The Insurer reserves the right to request proof of age of any *insured person*.

14. **Assignment:** Benefits under the *policy* may not be assigned to a third party. However and exceptionally, in no event will this affect *Global Excel's* ability to make payment, for the benefit of the *insured person*, directly to the *hospital* or clinic as provided for under the International Assistance Service section of the *policy*.
15. **When Money Payable:** All money payable under the *policy* shall be paid by the Insurer within 60 days after it has received due proof of claim.
16. **Continuance of Individual Coverage During Absence from Work:** If a *participant* is absent from work due to disability, temporary lay-off, authorized leave of absence, strike or any other work stoppage, the insurance will be continued as long as the *participant* remains covered under the *policyholder's* basic group extended health care plan.
17. **Examination of the Policy:** The *policy*, including any endorsements, will be kept at the office of the *policyholder*. You may consult the *policy* during the regular business hours of the *policyholder*.
18. **Sanctions:** The Insurer is a member of the RSA Group whose principal insurance company in the United Kingdom is required to comply with economic, financial and trade sanctions ("Sanctions") imposed by the European Union and the United Kingdom and the parties acknowledge that the Insurer intends to adhere to the same standard.

The Insurer shall not provide any coverage or be liable to provide any indemnity or payment or other benefit under this *policy* which would breach Sanctions imposed under the laws of Canada; or would breach Sanctions imposed by the European Union or the United Kingdom if provided under an insurance contract issued by an Insurer in the United Kingdom.

SECTION V — AUTOMATIC EXTENSION OF COVERAGE PERIOD

The *coverage period* per *trip* will automatically be extended up to 72 hours provided the *participant* has not reached the *termination age*, if:
